

SARASWATI MODEL SCHOOL
ACTIVITY OF THE MONTH-AUGUST
FANCY DRESS COMPETITION((2022-23)

UTOPIA

"The most beautiful world is always entered through imagination." Helen Keller

Dear Parents,

Greetings!

Although perceived as a mere fun activity, fancy dress is of great benefit to children and for building their imagination and vocabulary.

Fancy dress competition is more than just physically wearing a costume. When “in character”, children learn to role play. They learn to imitate the mannerisms of the character or object they’re dressed up as, and, may even create their own special traits and themes, which encourages children to “think outside the box,” practice different emotions, and use their language skills to communicate.

Fancy dress competition also encourages children to express their point of view of the world around them.

Scholastic and co-scholastic activities have an equal importance for the all round development of the child. Keeping this in mind, we at **Saraswati Model School** are going to

conduct a ‘**Fancy Dress Competition**’-**UTOPIA** for the students of the classes II-X.
