“The artist is not a special kind of a person rather each person is a special kind of artist.”

Dear Parents,
Greetings to you all!

The inspiration and power of art play a vital role in enabling our children to enhance their creative talent and develop their artistic skills. Children naturally love art, painting and drawing and express their feeling without words.

We at Saraswati Model School appreciate the importance of Drawing and Colouring in building the kids' brain.

Saraswati Model School is going to organise a 'Drawing and Colouring Competition' **SPECTRUM** for the students of Classes Nursery to X .

Following are the schedule and instructions for the competition.

•DATE:- 22.04.2022(Friday)

•Judgement Criteria-Each participant will be judged for their skills, colour application, colour combination and neatness.

• Students will be given the art paper from the school but they need to bring their colouring materials like crayons/ colour pencils/colour paints etc. for the competition.
