"BEST OUT OF WASTE COMPETITION"
(2023-24)

 **J u g a a d** 

" Recycling things is like magic that turns ordinary things into extraordinary."

**Dear Parents,
Greetings to you all!**

BEST OUT OF WASTE is a craft in which useful and picturesque objects are made out of waste products. In order to make children aware of the uses of waste material and to give them a lesson on reducing waste to save our future, a 'Best Out of Waste Competition'  **J u g a a d**  will be held for classes Nursery to X on May 10, 2023.

Purpose:

- To enhance the creative skills of students and to give a new path to their innovative minds.

Pre Requisites of the Competition:

- Students need to bring waste materials like old newspapers, buttons, threads, ice cream sticks etc. from home to create a new thing of his / her choice.
- Students can make anything decorative or purposeful object like a pen stand, photo frame, flower vase etc.

Judgement Criteria:

- Students will be judged for creativity, the maximum number of waste materials used, neatness, overall presentation and utility of the product made.

Note:

- Students will prepare their product in class and nothing has to be brought or bought ready-made from home.
- All materials for the competition need to be arranged by the students from home.
- The product will be prepared in the school during the competition.

Important :

- The time duration for the competition will be 1 hr 15 min from the last three periods. Students shall plan their activities accordingly.
- **Participation is mandatory for all.**

Warm Regards
