

SARASWATI MODEL SCHOOL
ACTIVITY OF THE MONTH-APRIL
DRAWING AND COLORING COMPETITION (2024-25)

ARTMENTA
DREAM-CREATE-SHARE

"Let your imagination take flight on the wings of your creativity."

Dear Parents,
Greetings!

"A Drawing and coloring competition fosters creativity, confidence and self-expression among participants, encouraging them to showcase their unique talents and inspiring a sense of artistic achievement". Children naturally love art, painting and drawing to express their feelings without words.

We believe that Drawing and Coloring nurtures creativity, fine motor skills and cognitive development in children. This provides a mean for expression, improve hand-eye coordination and boost confidence as young minds explore their imagination and translate it onto paper.

Saraswati Model School is organising a **Drawing and Coloring Competition** 'ARTMENTA' for all the classes.

Following are the schedule and instructions for the competition:

•**DATE:- 22.04.2024(Monday)**

•**Judgement Criteria:-** Each participant will be judged for their **Skills, Color application, Color combination and Neatness.**

• Students will be given the **Art paper** from the school but they need to bring their coloring materials like crayons/color pencils/color paints etc. for the competition.

"Parents should enthusiastically support their children's active involvement in Drawing and Coloring, fostering their creativity and growth."

Warm Regards

Ms. Palak Pandey
