5 DAYS 5 COLORS ACTIVITY

Life is colorful; be like a rainbow, use every color

Dear Parents/Students,

Greetings!

Our school is organising an activity related to Colors. Colors play a vital role in a child's life and growth, shaping their experiences and development in profound ways. From stimulating their senses to fostering creativity and emotional expression, colors are instrumental in nurturing various aspects of a child's cognitive, social, and emotional development. By surrounding children with a rich array of colors and providing opportunities for exploration and expression, caregivers and educators can create environments that support holistic growth and learning.

Kindly acknowledge that the coming week from **06.05.2024(Monday) to 10.05.2024(Friday)** will be observed as **5 Days 5 Colors Week**.
